**Altar Setup Instructions for #1 Server**  
**May 2009**

Before Mass, make sure there are a Sacramentary, 4 communion glasses and 5 purificators on the back shelf. When you set up the altar, make three trips from the back shelf to the altar.

- 1<sup>st</sup> trip: Bring two of the four glasses to the altar and place them in a row as shown in the photo.
- 2<sup>nd</sup> trip: Bring the other two glasses to the altar and add them to the row as shown in the photo. Do NOT try to bring all 4 glasses to the altar at the same time!
- 3<sup>rd</sup> trip: Bring the Sacramentary and 5 purificators to the altar. One purificator is for the priest and the other four go with the communion glasses. Place the Sacramentary, the priest's purificator and the other 4 purificators as shown below.
